AzMERIT TESTING

AzMerit Testing will take place the week of **March 30th to April 8th** for **3rd through 6th grades**.

We cannot stress enough how important it is to be here everyday. Teachers will begin testing right away in the morning when students are the most attentive. Late students will not be able to enter the classroom once testing has begun. They will have to wait until the next session begins before they can join the classroom. Additionally, if students are removed from the classroom for appointments, etc. while in the middle of a testing session, they cannot finish that portion of the test, and their score will reflect only the portion that they completed. *More information will be provided and sent home the week prior to AzMerit Testing.*

Health Office News

Parents, if your student turned 11 years recently, it is necessary that you get their immunizations up to date. Please bring your proof of immunization to the front office when he/she receives them. If you have questions, or need more info please see Nurse Shelagh. Free Vaccinations available at:
