## A note from our Principal

Dear Burke Basic School Families, First and foremost, thank you for your support as we wrap up our First Quarter of the school year. Our teachers and staff are working hard to ensure that your child is learning in a safe environment. Our students are doing an amazing job with our safety procedures. Please be sure to follow the self screening process every day before sending your child to school. This is important to keep us healthy so we are all able to stay in school.

Mr. Mike Gaddie
