## Health Office News

This month we want to remind parents to continue to monitor your children at home. If your students is not feeling well or is developing flu like symptoms, please keep them home and let us know. We want to thank our families for the continued support for our school. Call us with any questions 480-964-4602.

## Lost and Found

Parents, remember that we have a designated area for lost & found items. Please take a moment to search for items that your child may have lost. If they are not claimed, they will be donated to the Salvation Army. We suggest writing your child's name inside the tags of coats/sweaters to avoid them being lost.

## Student Lunches

Parents, if you are providing lunch to your students please remember to send it with them in the morning. We are aware that sometimes we serve a lunch item different from what is on the lunch menu, we apologize and will notify of any changes that are known to us as soon as possible. Thanks for your cooperation!

## TESTING

Parents,

We are encouraging students, 3<sup>rd</sup> - 6<sup>th</sup> grades, to prepare for the AASA (Arizona Academic Standards Assessment) test that will be administered in April 2022. This test is replacing the AZMerit Assessment. Students can click on the link below, proceed to their grade level, and select what they choose to practice on. I suggest they begin with writing. A username/ password is NOT required for practice tests. Simply click on "Mic Check & Sample Tests", which is underneath the blue sign in tab.

If you have any questions regarding accessing TestNav, please contact the school or your student's teacher.
