## MARCH

### CHARACTER TRAIT

#### Habit 2 - Review

**Begin With the End in mind:**  
Have a Plan

- I plan ahead and set goals.
- I do things that have meaning and make a difference.

### **Breakfast in the Classroom for 21-22**

Burke Basic School offers breakfast in the classroom and is available to students at no charge, no matter the income level and it's eaten after the morning assembly. They enjoy nutritionally well-balance foods like yogurt, muffins and fruit.

## AASA TESTING

AASA Testing (previously called AZMerit) will take place from **April 5th to April 28th** for **3rd through 6th grades**.

We cannot stress enough how important it is to be here everyday. Teachers will begin testing right away in the morning when students are the most attentive. Late students will not be able to enter the classroom once testing has begun. They will have to wait until the next session begins before they can join the classroom. Additionally, if students are removed from the classroom for appointments, etc. while in the middle of a testing session, they cannot finish that portion of the test, and their score will reflect only the portion that they completed. *More information will be provided and sent home the week prior to AASA Test-*

## Health Office News

Parents: Our Health office is in need of uniform donations. If you have unwanted uniforms or garments that no longer fit, we could really use them here at school.

Items that are most needed:

- Uniform Pants/Skirts
- Underwear
- Uniform Shirts

Also, if your student comes home with clothing from the nurse's office, please return them so others can use them in case of an accident. Thanks for all your support!

*This institution is an equal opportunity provider.*
