IMPORTANT BREAKFAST/LUNCH PROGRAM CHANGE

07/01/2022

Dear Burke Basic School families,

This letter is to inform you of the recent change to our lunch program. Our school will no longer be offering breakfast and our lunch program will now be available as free, reduced, or paid. Our school did not qualify to continue with the FREE program. Attached to this letter are instructions and an application for free and reduced-price school meals. If you choose not to fill out the application to determine if your student/s qualify, you will have to pay \$3.15 for school lunch each day you choose to have your child eat a school lunch. For those interested in participating, you will have to order your student's lunch ahead of time whether it is free, reduced, or paid. In our new implementation there is a new system of how the school lunches are processed. If your student/s will be eating school lunch, you will have to order it ahead of time for the entirety of the month.

We will be sending instructions via school letter and DOJO as to how to place your student's meal order for the month as soon as it becomes available to parents. Ordering can be done on a smart phone, laptop, and any computer for your convenience. If you choose not to pay for your student's school meal or did not order on time, you will have to send your student/s with a home lunch. We thank you for your patience as we transition to these changes. If you have any questions, please feel free email me or call the number listed above.

Sincerely,

Linda Hernandez
Lunch Coordinator
